## Attorney General Rules Van Patten Election Illegal

### Law Requires That Chair- man Be Elected in June Not April

Supervisor David Van Patten's election as chairman of the Lake county board, and as ex-officio chairman of the board of review, was an illegal action according to a ruling rendered by Attorney General George F. Barrett. The Attorney General's opinion was contained in a letter received yesterday by State's Attorney Harry A. Hall.

Doubt as to the legality of the board's action in electing Van Patten chairman, arose when it was pointed out by Attorney Jack Blairston that the supervisors elected its 1941 chairman at a session of the recessed and re-convened September meeting. Blairston also directed attention of board members to the fact that actually only two sessions of county boards are recognized by state law, the June and September meetings. All other meetings are either special meetings or recessed and re-convened sessions of these meetings.

Van Patten's election as head of the board of supervisors and ex-officio chairman of the board of review has resulted in giving the tax reviewing body two Democratic members and one Republican in a county where the Republicans are entitled to a majority membership.

Judge Perry L. Persons appointed Lyle Gournay, Highland Park Republican, Saturday to replace D. H. Minto of Antioch, whose term expired. Chairman Van Patten and Ivan Harlow, Zion, the other two members, are both Democrats.

The state's attorney, who is legal advisor of the county board, said he would recommend that the board hold a new election at the July meeting.

## MRS. TECHERT DIES SUDDENLY

### Second Operation Proves Fatal; Funeral Held Wednesday

Although she had been ill for some weeks, Mrs. Leota Techert's death Monday in the Kenosha hospital was a genuine shock to her many friends. Mrs. Techert had undergone an operation at the hospital several weeks ago, and after regaining her strength somewhat, had returned to the hospital for a second operation.

She was born in Antioch 47 years ago, and was the daughter of Mr. and Mrs. R. M. Haynes.

Survivors include her husband, William; two sons, William, Jr., and Charles, and a sister, Mrs. Myrtle Hufendick, all of Antioch.

Funeral services were held Wednesday afternoon in the Strang funeral home. The Rev. Philip T. Rohi, Des Plaines, formerly of Antioch, and the Rev. W. C. Heuser officiated.

Burial was in Hillside cemetery. Mrs. Techert had been an active member of the Antioch Royal Neighbor chapter, and held the office of receiver.

## Bartlett Is Vice-President of County Municipal League

Village President George B. Bartlett of Antioch was elected a vice-president of the Lake County Municipal League at its annual meeting Friday evening in Bonnie Brook Country club.

Arthur E. Suter, Libertyville village president, was chosen president to succeed Mayor Richard F. Hise of Zion, who has served two terms.

The new vice-presidents include Mayor Frank G. Wallin of Waukegan, Bartlett, and Bernard J. Juron, city attorney of Highland and Lake Villa.

John C. McNicol, Lake Forest city manager, is the new secretary, City Clerk W. C. Musser of Highland Park, treasurer, and Hise, President E. C. Hook of Grayslake and President Arthur J. Amundsen of Fox Lake are new directors.

Three Channel Lake youths were taken into custody by the Lake county sheriff's department Sunday and confessed to burglarizing a tavern and several cottages in the community within recent months. They were picked up after Mrs. Regina Kule, Chicago, reported that the summer house she was renting had been entered and a radio taken. The youths admitted taking the radio and also that they had taken cigarettes and liquor, which they sold, from Smith's Slide Inn.

Mrs. W. R. Williams spent last week in Chicago as the guest of Mrs. C. O. Dorchester.

## Local Boy Granted State F.F.A. Degree

Albert Smith, junior student of the vocational agriculture department of the Antioch Township High school, received his third, or State Farmer degree, at the state convention of the Illinois Association of Future Farmers of America held June 12 at the University of Illinois.

Young Smith received his degree by virtue of the fact that he stands high in scholarship and that he has more than \$250 invested in farm projects. He has made an enviable record with his sheep production and poultry projects. As an added award for his attainments he received a Future Farmer gold key.

## All-Star Grappling Show Slated for Peg's Arena Friday

### Von Schacht-Virag, Silver- stein-Millich to Appear in Double Windup

A double main event, featuring four of the nation's top heavyweight contenders will headline the second all-star professional wrestling card of the summer season to be presented in the Grayslake arena Friday night June 20.

One of the twin features will pit 6ft. 5in., 245 lb., Friedrich von Schacht the German heavyweight champion, against barrel-chested Eddie Virag, 1936 Olympic wrestling champion on the Hungarian team, in a sensational return match. Last week the pair met in a bruising semi-windup match on the initial card of the season at Grayslake, and staged one of the wildest matches seen here in many a moon.

The other half of the double feature brings together the great "Ruffly" Silverstein, undefeated in more than three years of professional wrestling and widely acclaimed as the uncrowned champion of all the heavyweights, and Joe Millich, national titleholder of Yugoslavia. Both Ruffly and Millich are clean, scientific wrestlers and both will be struggling to keep their spotless records clean, so fans may expect some real wrestling . . . minus the grunts and groans.

## ANTIOCH BOYS ATTEND CHICAGO LAMB SHOW

Three Antioch boys are \$110.46 richer, following their trip Tuesday to the Fat Stock show held in the Amphitheatre at the Chicago Union stock yards where they exhibited and sold 14 head of spring lambs.

Elmer Hartnell, a local school boy, placed 13th in a class of 20 pens of 5 lambs each. Albert Smith and Robert Severson were the other exhibitors from the local school.

Three hundred and seventy lambs were shown by 73 boys from the middle west. The lambs averaged 82 pounds, and all of them were sold after the show.

The top of the regular market that day was \$11.65, but the average price received by the boys was \$12.17, or \$8.81 per head. The 14 head sold by the local boys netted them \$110.46.

## ANTIOCH F. F. A. PLACES FIRST IN ACTIVITY CONTEST

In an activity contest sponsored among the 18 vocational agriculture high schools of northeastern Illinois during the past school year, the Antioch Chapter of Future Farmers of America placed first.

It scored 1200 points out of a possible 1500 on the score card. Credit was allowed for having judging teams, public speaking contestants, father and son banquet, co-operative marketing, athletic contests, participation in thrift banking and other activities.

The Antioch chapter, under the advisement of C. L. Kutil, has been a consistent winner for the past ten years. This is the third time for the local chapter to win first honors.

## FCY to Visit Mooseheart

On Sunday afternoon, June 22, the Federated Christian Youth will tour Mooseheart. They will leave the Libertyville Methodist Church at 1:30 p. m. This should be an unusually interesting visit and anyone between the ages of 20 and 35 is invited to attend. Plans for the evening are not yet complete.

## Hold Von Holwede Hearings Today

### Scant Notice Heralds Re- newal of Examination of "Irregular" Certificate

On only a 24-hour notice, although a week's advance notice had been requested by many of those concerned, a hearing on the status of a certificate under which Hans von Holwede had been teaching at Antioch Township High school was being conducted very quietly at Springfield this morning.

Antioch residents interested in the case did not receive notices of the meeting until yesterday morning, and appealed to John Wieland, state superintendent of public instruction, for postponement until Monday afternoon. It was also pointed out that the meeting was set for a date when James McMillen, prominent member of the Antioch high school board, was away on a trip and might be unable to attend.

Von Holwede is charged with having obtained a state teaching certificate through irregular methods. W. C. Petty, whose term as Lake county superintendent of schools expires next year, has interceded for him a number of times in the past. The hearing is a continuance of one held this spring, when the furor it aroused led J. O. Austin, Antioch high school principal, to request a delay until after the close of the school year, in the interests of the high school students, whose work was suffering as a result of the high tides of feeling in the community.

## Three Pickard Employees are Given Awards

### Tokens of Appreciation for Long Service Presented at Banquet

Three employees of Pickard, Inc., who have been with the noted china decorating and manufacturing company for more than 20 years, were honored at a banquet held last evening in St. Ignace's guild hall.

The dinner was given by H. A. Pickard, president of the firm, as a "get acquainted party" for employees brought here from Chicago when the decorating studios were brought out. Employees who have been working in the plant at Antioch, and new employees of the company. More than 60 were present.

The three employees who were honored are Edward S. Challinor, who has been with the company for 38 years; Mrs. Anna Mylen, who has been with them 24 years, and Miss Pauline Fuchs, with them 22 years. Engraved wrist watches were presented to them. Employees who have been with the company for more than 10 years were also introduced to the gathering.

Challinor is considered one of the leading, if not the foremost, ceramic artists in this country. He is now making his home at Channel Lake, in one of the Gifford cottages. Asked whether he would consider moving to Antioch when the decorating plant was brought out here from Chicago this spring, he replied, "Well, I moved with you when you went out to Ravenswood from the Loop 36 years ago, and I guess I can go to Antioch."

Praises Loyalty  
Pickard paid tribute to the loyalty of his employees, five of whom, he states, have been coming out from Chicago from Monday through Friday to help train new workers to take their places, since they themselves are prevented by various circumstances from moving to Antioch permanently.

Displays of magic and sleight-of-hand feats by Robert Lotz, Chicago, made a decided hit with the audience. Community singing of old favorite songs was another feature of the evening, with Hans von Holwede acting as accompanist.

The dinner was served by the ladies' guild of St. Ignace's church.

The Pickard company has been in business more than 44 years. Founded originally as a china decorating concern, the company has of late years been conducting research in the manufacture of fine china as well. The plant at Antioch was established for experimental purposes. Its success in producing a high quality product equal to wares formerly imported from Europe led to its enlargement and the consolidation of the manufacturing and decorating plants.

Three-year-old Jackie Parks, son of Mr. and Mrs. Lee Parks, who was taken to St. Therese hospital Tuesday for treatment for severe contusions suffered when he was kicked by a horse, is reported to be recovering rapidly. The child was playing near his home when the accident occurred. He is under the care of Dr. A. N. Berke.

## DOWN THROUGH THE AGES

## ANTIOCH COLLEGIANS NAMED ON HONOR ROLL

Ted Larson, son of Mr. and Mrs. P. T. Larson, was one of nineteen members of the senior class of Illinois College, Jacksonville, Ill., to attain the distinction of being named on the Illinois College Honor roll for outstanding scholastic work during the past semester. An honor roll student must maintain an average of "B" or better in all of his academic work.

Mr. Larson was a history major at Illinois College and one of the forty-four members of the senior class to receive A. B. degrees at the commencement exercises held in Jacksonville on Monday, June 9.

Also a communication to the News from the Northern Illinois State Teachers College at DeKalb states that Jack Panowski and Clara Waters were honor roll students at the college for the quarter just closed, according to reports from the registrar. The honor roll requirement is an average of B in all previous work done in the institution.

Following his graduation at DeKalb, Panowski was one of 80 honor students selected from the middle west to take a special course in chemistry and explosives sponsored by the federal government at Purdue university at Lafayette, Ind. After receiving their degree at Purdue the young men will be offered positions by the government in defense industries.

## Rev. Frank Accepts Call to Minneapolis

The Rev. Melvin L. Frank, pastor of the Millburn Congregational church, has been called to Olivet Congregational church, Minneapolis. He will enter on his duties there August 15.

His letter of resignation was read at the services Sunday morning by D. H. Minto, clerk of the congregation.

Rev. Frank has been pastor at Millburn church since 1939. During that time he took post graduate studies at Chicago Theological seminary, from which he was graduated June 6.

Among the high points of his successful ministry at Millburn was the celebration of the centennial anniversary of the church and community last September.

He has been instrumental in promoting the organization of a Boy Scout troop in the parish during his ministry, and in furthering the activities of the young people's organization.

## Marked \$5 Bill Brings About Caretaker's Arrest

A marked bill proved the downfall of a handyman and caretaker at Bob Hardman's resort on Bluff lake when he was suspected of taking money which Mrs. Hardman and a bartender at the resort had misused from their purses.

Last Tuesday Mrs. Hardman discovered that \$43 had vanished from a purse in her room. Acting on instructions from the Lake county sheriff's office, she placed a marked \$5 bill in her purse.

The caretaker, Roy King of Lake Geneva, was later discharged, and was taken into custody by deputies as he was walking away from the Hardman resort. The marked bill and about \$45 more were found on his person, and he was taken to the county jail on warrants charging grand and petit larceny.

## State Secretary Will Address Firemen Here

### R. L. Alsip of Champaign to Be Speaker at Annual County Meeting

Five hundred firemen from all parts of Lake county, as well as from adjoining counties, are expected here Monday evening, accompanied by their ladies, to attend the annual business meeting of the Lake County Firemen's association, to which Antioch will be host for the fourth consecutive time.

Roy L. Alsip, secretary of the Illinois State Firemen's association, and fire chief of Champaign, has been secured as speaker.

Permission to close Main street from Lake street to Orchard street for outdoor dancing, if weather permits, has been requested of the state highway department. The "Mardi Gras" part of the evening will be open to the public.

The usual visit at the fire station, and registration of the arrival of the visiting firemen, will be followed with a business meeting in St. Ignace's Guild hall and annual reports by the committees.

Alsip will speak on legislative matters of interest to firemen.

At the close of the meeting of the firemen, their guests will gather in the building formerly occupied by the Chevrolet garage for refreshments.

Providing weather permits, canvas will be spread on Main street for the dancing, which will start around 9 o'clock. Music will be broadcast over a loudspeaker system furnished by T. J. Tronson.

## Salem Resident is Claimed by Death

### Services Are Held Saturday for Miss Ada Bufton, a Leader in Community

Miss Ada Bufton, one of the most widely known residents in the village of Salem, died last Thursday, leaving legions of close friends and relatives to mourn her passing.

She was born in Salem, Oct. 14, 1881, the daughter of the late John and Eleanor Bufton. She spent her entire lifetime there, being active in civic, business and club affairs.

## Had Varied Career

The deceased attended the school in Salem, and for a short period taught in the county schools. She also assisted her father while he was the village postmaster. After his death, she operated a shoe store he had founded, and later took up practical nursing, a vocation she followed until a break in health forced her to retire.

She was a charter member of the Salem Camp of Royal Neighbors, a member of the Salem Methodist church and its Ladies' organization, and the Priscillas. She was an outstanding worker in all these organizations as long as good health permitted.

## Funeral on Saturday

Surviving are four sisters and a brother: Mrs. John Beard, Keego Harbor, Mich.; Mrs. George Grigg, West Allis; Mrs. Frank Smith, Somers; Miss Lillie Bufton, Brighton, and Lancelot Bufton, Keego Harbor. Four nieces and four nephews, to whom she was most devoted, also survive. A sister, Mrs. Ida Martin, prominent in fraternal circles, preceded her in death at Burlington, Dec. 4, 1939.

Mr. and Mrs. Adolph Helm's Channel Inn, on Route 173 at Channel Lake, will celebrate its second anniversary with a party Saturday evening, June 21. A colored orchestra will play for dancing.

Oscar Soderquist and Leo Dailey, Waukegan, were Antioch business visitors today.

## Two Counties Plan "Black, White" Shows

### Lake County Holsteins to Parade June 20; Ke- nosha Co. June 28

Francis Darcy of Watertown, Wis., who has managed many of the most successful Holstein dairy cattle sales in the nation, has been selected to serve as judge of the annual Lake Co. Black and White Show according to Ken Monson, of Hawthorne Farms, president of the Lake County Holstein Breeders' Association, sponsors of the all-day all-out affair. This year the Black and White Show will be held in Cook's Grove, Wauconda, on Friday, June 20.

Committees at work on the 1941 show are: Grounds—Bill Wirtz, Harry Gikerson, and Beckman Bros.; Judging—Jim Davis, Gilbert Clem, C. L. Kutil, and Paul Arndt; Prizes—Alfred Ames, Wilbur Swayer, and Les White; Publicity—A. H. Kohlbusch and Les White.

The Kenosha County Black and White Production show, sponsored by the Kenosha County Holstein Breeders' association, will be held Saturday, June 28, at 10 a. m.

It will take place in Harry Hansen's Woods, one half mile north of Woodworth, Wis.

One hundred head of Kenosha county's finest Holsteins will be on exhibit.

Prizes of \$100 are announced, and a registered heifer calf is to be included among the awards.

Judging contests, games and an afternoon band concert will be held. There will also be large exhibits of the latest types of farm machinery.

In the evening a dance will be held in the Bristol Community hall, commencing at 9 o'clock, with music by Brande's orchestra. A registered Holstein calf is to be given away as a prize at the dance.

A public dinner will be enjoyed on the grounds, and refreshments will be available at booths. Milk will be served free of charge.

Both of these events are expected to draw large crowds. One of them last year had an attendance of two thousand.

## City Briefs

Mr. and Mrs. George Pudil and daughters, Nancy and Mary Lou, of Berwyn, were visitors at the home of Mr. and Mrs. S. B. Nelson Sunday afternoon.

Ray Webb left Sunday night to return to Waukegan, Wis., to continue a series of treatments at the Moor baths.

Mrs. C. N. Lux and her nephew, Bobbie Wilton, are spending this week at Pittsfield with relatives and friends.

Mrs. Robert Wilton and Mrs. Lester Nelson will be hostesses to the O. E. S. officers' club at a picnic supper at the Wilton home Friday evening at 6:30.

Dean Williams arrived here Monday from New York City for a visit with his mother, Mrs. Harry Haid, and his grandmother, Mrs. W. R. Williams.

One-Way Traffic  
First traffic regulation for one-way traffic appears to have been established in New York city, December 17, 1791, when a regulation incidental to a performance at the John Street theater requested that "Ladies and gentlemen will order their coachmen to take up and sit down with their horse heads to the East River to avoid confusion."

## Attorney General Rules Van Patten Election Illegal

### Law Requires That Chairman Be Elected in June Not April

Supervisor David Van Patten's election as chairman of the Lake county board, and as ex-officio chairman of the board of review, was an illegal action according to a ruling rendered by Attorney General George F. Barrett. The Attorney General's opinion was contained in a letter received yesterday by State's Attorney Harry A. Hall.

Doubt as to the legality of the board's action in electing Van Patten chairman, arose when it was pointed out by Attorney Jack Baird that the supervisors elected its 1941 chairman at a session of the recessed and re-convened September meeting. Baird also directed attention of board members to the fact that actually only two sessions of county boards are recognized by state law, the June and September meetings. All other meetings are either special meetings or recessed and re-convened sessions of these meetings.

Van Patten's election as head of the board of supervisors and ex-officio chairman of the board of review has resulted in giving the tax reviewing body two Democratic members and one Republican in a county where the Republicans are entitled to a majority membership.

Judge Perry L. Persons appointed Lyle Gurney, Highland Park Republican, to replace D. H. Minto of Antioch, whose term expired. Chairman Van Patten and Ivan Harlow, Zion, the other two members, are both Democrats.

The state's attorney, who is legal advisor of the county board, said he would recommend that the board hold a new election at the July meeting.

## MRS. TECHERT DIES SUDDENLY

### Second Operation Proves Fatal; Funeral Held Wednesday

Although she had been ill for some weeks, Mrs. Leota Techert's death Monday in the Kenosha hospital was a genuine shock to her many friends. Mrs. Techert had undergone an operation at the hospital several weeks ago, and after regaining her strength somewhat, had returned to the hospital for a second operation.

She was born in Antioch 47 years ago, and was the daughter of Mr. and Mrs. R. M. Haynes.

Survivors include her husband, William, two sons, William, Jr., and Charles, and a sister, Mrs. Myrtle Hufendick, all of Antioch.

Funeral services were held Wednesday afternoon in the Strang funeral home. The Rev. Philip T. Bohl, Des Plaines, formerly of Antioch, and the Rev. W. C. Henslee officiated.

Burial was in Hillside cemetery. Mrs. Techert had been an active member of the Antioch Royal Neighbor chapter, and held the office of receiver.

## Bartlett Is Vice-President of County Municipal League

Village President George B. Bartlett of Antioch was elected a vice-president of the Lake County Municipal League at its annual meeting Friday evening in Bonnie Brook Country club.

Arthur E. Suter, Libertyville village president, was chosen president to succeed Mayor Richard F. Hise of Zion, who has served two terms.

The new vice-presidents include Mayor Frank G. Wallin of Waukegan, Bartlett, and Bernard J. Juron, city attorney of Highland and Lake Villa.

John C. McNicol, Lake Forest city manager, is the new secretary. City Clerk V. C. Musser of Highland Park, treasurer, and Hise, President E. C. Hook of Grayslake and President Arthur J. Amundsen of Fox Lake are new directors.

Three Channel Lake youths were taken into custody by the Lake county sheriff's department Sunday and confessed to burglarizing a tavern and several cottages in the community within recent months. They were picked up after Mrs. Regina Kule, Chicago, reported that the summer house she was renting had been entered and a radio taken. The youths admitted taking the radio and also that they had taken cigarettes and liquor, which they sold, from Smith's Slide Inn.

Mrs. W. R. Williams spent last week in Chicago as the guest of Mrs. C. O. Dorchester.

## Local Boy Granted State F.F.A. Degree

Albert Smith, junior student of the vocational agriculture department of the Antioch Township High school, received his third, or State Farmer degree, at the state convention of the Illinois Association of Future Farmers of America held June 12 at the University of Illinois.

Young Smith received his degree by virtue of the fact that he stands high in scholarship and that he has more than \$250 invested in farm projects. He has made an enviable record with his sheep production and poultry projects. As an added award for his attainments he received a Future Farmer gold key.

## All-Star Grappling Show Slated for Peg's Arena Friday

### Von Schacht-Virag, Silverstein-Millich to Appear in Double Windup

A double main event, featuring four of the nation's top heavyweight contenders will headline the second all-star all-professional wrestling card of the summer season to be presented in the Grayslake arena Friday night June 20.

One of the twin features will pit 6ft. 5in., 245 lb., Friedrich von Schacht the German heavyweight champion, against barrel-chested Eddie Virag, 1936 Olympic wrestling champion on the Hungarian team, in a sensational return match. Last week the pair met in a bruising semi-windup match on the initial card of the season at Grayslake, and staged one of the wildest matches seen here in many a moon.

The other half of the double feature brings together the great "Ruffy" Silverstein, undefeated in more than three years of professional wrestling and widely acclaimed as the unknown champion of all the heavyweights, and Joe Millich, national titleholder of Yugoslavia. Both Ruffy and Millich are clean, scientific wrestlers and both will be struggling to keep their spotless records clean, so fans may expect some real wrestling... minus the grunts and groans.

## ANTIOCH BOYS ATTEND CHICAGO LAMB SHOW

Three Antioch boys are \$110.46 richer, following their trip Tuesday to the Fat Stock show held in the Amphitheatre at the Chicago Union stock yards where they exhibited and sold 14 head of spring lambs.

Elmer Hartnell, a local school boy, placed 13th in a class of 20 pens of 5 lambs each. Albert Smith and Robert Severson were the other exhibitors from the local school.

Three hundred and seventy lambs were shown by 73 boys from the middle west. The lambs averaged 82 pounds, and all of them were sold after the show.

The top of the regular market that day was \$11.65, but the average price received by the boys was \$12.17, or \$8.81 per head. The 14 head sold by the local boys netted them \$110.46.

## ANTIOCH F. F. A. PLACES FIRST IN ACTIVITY CONTEST

In an activity contest sponsored among the 18 vocational agriculture high schools of northeastern Illinois during the past school year, the Antioch Chapter of Future Farmers of America placed first.

It scored 1200 points out of a possible 1500 on the score card. Credit was allowed for having judging teams, public speaking contestants, father and son banquet, co-operative marketing, athletic contests, participation in thrift banking and other activities.

The Antioch chapter, under the advisement of C. L. Kutil, has been a consistent winner for the past ten years. This is the third time for the local chapter to win first honors.

## FCY to Visit Mooseheart

On Sunday afternoon, June 22, the Federated Christian Youth will tour Mooseheart. They will leave the Libertyville Methodist Church at 1:30 p. m. This should be an unusually interesting visit and anyone between the ages of 20 and 35 is invited to attend. Plans for the evening are not yet complete.

## Hold Von Holwede Hearings Today

### Scant Notice Heralds Renewal of Examination of "Irregular" Certificate

On only a 24-hour notice, although a week's advance notice had been requested by many of those concerned, a hearing on the status of a certificate under which Hans von Holwede had been teaching at Antioch Township High school was being conducted very quietly at Springfield this morning.

Antioch residents interested in the case did not receive notices of the meeting until yesterday morning and appealed to John Wieland, state superintendent of public instruction, for postponement until Monday afternoon. It was also pointed out that the meeting was set for a date when James McMillen, prominent member of the Antioch high school board, was away on a trip and might be unable to attend.

Von Holwede is charged with having obtained a state teaching certificate through irregular methods. W. C. Petty, whose term as Lake county superintendent of schools expires next year, has interceded for him a number of times in the past. The hearing is a continuance of one held this spring, when the furor it aroused led J. O. Austin, Antioch high school principal, to request a delay until after the close of the school year, in the interests of the high school students, whose work was suffering as a result of the high tides of feeling in the community.

## Three Pickard Employees are Given Awards

### Tokens of Appreciation for Long Service Presented at Banquet

Three employees of Pickard, Inc., who have been with the noted china decorating and manufacturing company for more than 20 years, were honored at a banquet held last evening in St. Ignace's guild hall.

The dinner was given by H. A. Pickard, president of the firm, as a "get acquainted party" for employees brought here from Chicago when the decorating studios were brought out, employees who have been working in the plant at Antioch, and new employees of the company. More than 60 were present.

The three employees who were honored are Edward S. Challinor, who has been with the company for 38 years; Mrs. Anna Mylen, who has been with them 24 years, and Miss Pauline Fuchs, with them 22 years. Engraved wrist watches were presented to them. Employees who have been with the company for more than 10 years were also introduced to the gathering.

Challinor is considered one of the leading, if not the foremost, ceramic artists in this country. He is now making his home at Channel Lake, in one of the Gifford cottages. Asked whether he would consider moving to Antioch when the decorating plant was brought out here from Chicago this spring, he replied, "Well, I moved with you when you went out to Ravenswood from the Loop 36 years ago, and I guess I can go to Antioch."

Praises Loyalty  
Pickard paid tribute to the loyalty of his employees, five of whom, he states, have been coming out from Chicago from Monday through Friday to help train new workers to take their places, since they themselves are prevented by various circumstances from moving to Antioch permanently.

Displays of magic, and sleight-of-hand feats by Robert Lotz, Chicago, made a decided hit with the audience. Community singing of old favorite songs was another feature of the evening, with Hans von Holwede acting as accompanist.

The dinner was served by the ladies' guild of St. Ignace's church.

The Pickard company has been in business more than 44 years. Founded originally as a china decorating concern, the company has of late years been conducting research in the manufacture of fine china as well. The plant at Antioch was established for experimental purposes. Its success in producing a high quality product equal to wares formerly imported from Europe led to its enlargement and the consolidating of the manufacturing and decorating plants.

Three-year-old Jackie Parks, son of Mr. and Mrs. Lee Parks, who was taken to St. Therese hospital Tuesday for treatment for severe contusions suffered when he was kicked by a horse, is reported to be recovering rapidly. The child was playing near his home when the accident occurred. He is under the care of Dr. A. N. Berke.

## DOWN THROUGH THE AGES

## ANTIOCH COLLEGIANS NAMED ON HONOR ROLL

Ted Larson, son of Mr. and Mrs. J. T. Larson, was one of nineteen members of the senior class of Illinois College, Jacksonville, Ill., to attain the distinction of being named on the Illinois College Honor roll for outstanding scholastic work during the past semester. An honor roll student must maintain an average of "B" or better in all of his academic work.

Mr. Larson was a history major at Illinois College and one of the forty-four members of the senior class to receive A. B. degrees at the commencement exercises held in Jacksonville on Monday, June 9.

Also a communication to the News from the Northern Illinois State Teachers College at DeKalb states that Jack Panowski and Clara Waters were honor roll students at the college for the quarter just closed, according to reports from the registrar. The honor roll requirement is an average of B to all previous work done in the institution.

Following his graduation at DeKalb, Panowski was one of 80 honor students selected from the middle west to take a special course in chemistry and explosives sponsored by the federal government at Purdue university at Lafayette, Ind. After receiving their degree at Purdue the young men will be offered positions by the government in defense industries.

## Rev. Frank Accepts Call to Minneapolis

The Rev. Melvin L. Frank, pastor of the Millhorn Congregational church, has been called to Olivet Congregational church, Minneapolis. He will enter on his duties there August 15.

His letter of resignation was read at the services Sunday morning by D. H. Minto, clerk of the congregation.

Rev. Frank has been pastor at Millburn church since 1939. During that time he took post graduate studies at Chicago Theological seminary, from which he was graduated June 6.

Among the high points of his successful ministry at Millburn was the celebration of the centennial anniversary of the church and community last September.

He has been instrumental in promoting the organization of a Boy Scout troop in the parish during his ministry, and in furthering the activities of the young people's organization.

## Marked \$5 Bill Brings About Caretaker's Arrest

A marked bill proved the downfall of a handyman and caretaker, at Bob Hardman's resort on Bluff lake when he was suspected of taking money which Mrs. Hardman and a bartender at the resort had missed from their purses.

Last Tuesday Mrs. Hardman discovered that \$43 had vanished from a purse in her room. Acting on instructions from the Lake county sheriff's office, she placed a marked \$5 bill in her purse.

The caretaker, Roy King of Lake Geneva, was later discharged, and was taken into custody by deputies as he was walking away from the Hardman resort. The marked bill and about \$43 more were found on his person, and he was taken to the county jail on warrants charging grand and petit larceny.

## State Secretary Will Address Firemen Here

### R. L. Alsip of Champaign to Be Speaker at Annual County Meeting

Five hundred firemen from all parts of Lake county, as well as from adjoining counties, are expected here Monday evening, accompanied by their ladies, to attend the annual business meeting of the Lake County Firemen's association, to which Antioch will be host for the fourth consecutive time.

Roy L. Alsip, secretary of the Illinois State Firemen's association, and fire chief of Champaign, has been secured as speaker.

Permission to close Main street from Lake street to Orchard street for outdoor dancing, if weather permits, has been requested of the state highway department. The "Mardi Gras" part of the evening will be open to the public.

The usual visit at the fire station, and registration of the arrival of the visiting firemen, will be followed with a business meeting in St. Ignace's Guild hall and annual reports by the committees.

Alsip will speak on legislative matters of interest to firemen.

At the close of the meeting of the firemen, their guests will gather in the building formerly occupied by the Chevrolet garage for refreshments.

Providing weather permits, canvas will be spread on Main street for the dancing, which will start around 9 o'clock. Music will be broadcast over a loudspeaker system furnished by T. J. Tronson.

### Announce Committees

Heading the general committee as chairman is James McMillen, with C. B. Shultis, James Stearns and John L. Horan assisting.

Program committee: Cletus Vos, C. B. Shultis, Robert Wilton.

## Salem Resident is Claimed by Death

### Services are Held Saturday for Miss Ada Bufton, a Leader in Community

Miss Ada Bufton, one of the most widely known residents in the village of Salem, died last Thursday, leaving legions of close friends and relatives to mourn her passing.

She was born in Salem, Oct. 14, 1881, the daughter of the late John and Eleanor Bufton. She spent her entire lifetime there, being active in civic, business and club affairs.

### Had Varied Career

The deceased attended the school in Salem, and for a short period taught in the county schools. She also assisted her father while he was the village postmaster. After his death, she operated a shoe store he had founded, and later took up practical nursing, a vocation she followed until a break in health forced her to retire.

She was a charter member of the Salem Camp of Royal Neighbors, a member of the Salem Methodist church and its Ladies' organization, and the Priscillas. She was an outstanding worker in all these organizations as long as good health permitted.

### Funeral on Saturday

Surviving are four sisters and a brother: Mrs. John Beard, Keego Harbor, Mich.; Mrs. George Griggs, West Allis; Mrs. Frank Smith, Somers; Miss Lillie Bufton, Brighton, and Laurence Bufton, Keego Harbor. Four nieces and four nephews, to whom she was most devoted, also survive. A sister, Mrs. Ida Martin, prominent in fraternal circles, preceded her in death at Burlington, Dec. 4, 1939.

Mr. and Mrs. Adolph Helms' Channel Inn, on Route 173 at Channel Lake, will celebrate its second anniversary with a party Saturday evening, June 21. A colored orchestra will play for dancing.

Oscar Soderquist and Leo Dailey, Waukegan, were Antioch business visitors today.

## Two Counties Plan "Black, White" Shows

### Lake County Holsteins to Parade June 20; Kenosha Co. June 28

Francis Darcy of Watertown, Wis., who has managed many of the most successful Holstein dairy cattle sales in the nation, has been selected to serve as judge of the annual Lake County Black and White Show according to Ken Monson, of Hawthorne Farms, president of the Lake County Holstein Breeders' Association, sponsors of the all-day all-out affair. This year the Black and White Show will be held in Cook's Grove, Wauconda, on Friday, June 20.

Committees at work on the 1941 show are: Grounds—Bill Wirtz, Harry Gilkinson, and Beckman Bros.; Judging—Jim Davis, Gilbert Clem, C. L. Kutil, and Paul Arndt; Prizes—Alfred Ames, Wilbur Swager, and Les White; Publicity—A. H. Kohlbusch and Les White.

### Kenosha County Show

The Kenosha County Black and White Production show, sponsored by the Kenosha County Holstein Breeders' association, will be held Saturday, June 28, at 10 a. m.

It will take place in Harry Hansen's Woods, one half mile north of Woodworth, Wis.

One hundred head of Kenosha county's finest Holsteins will be on exhibit.

Prizes of \$100 are announced, and a registered heifer calf is to be included among the awards.

Judging contests, games and an afternoon band concert will be held.

There will also be large exhibits of the latest types of farm machinery.

In the evening a dance will be held in the Bristol Community hall, commencing at 9 o'clock, with music by Brande's orchestra. A registered Holstein calf is to be given away as a prize at the dance.

A public dinner will be enjoyed on the grounds, and refreshments will be available at booths. Milk will be served free of charge.

Both of these events are expected to draw large crowds. One of them last year had an attendance of two thousand.

## City Briefs

Mr. and Mrs. George Pudil and daughters, Nancy and Mary Lou, of Deerwyn, were visitors at the home of Mr. and Mrs. S. B. Nelson Sunday afternoon.

Ray Webb left Sunday night to return to Waukegan, Wis., to continue a series of treatments at the Moor baths.

Mrs. C. N. Lux and her nephew, Bobbie Wilton, are spending this week at Pittsfield with relatives and friends.

Mrs. Robert Wilton and Mrs. Lester Nelson will be hostesses to the O. E. S. officers' club at a picnic supper at the Wilton home Friday evening at 6:30.

Dean Williams arrived here Monday from New York City for a visit with his mother, Mrs. Harry Hand, and his grandmother, Mrs. W. R. Williams.

### Socialism Isn't Democratic

It is much easier for the people to get the government to maintain proper regulation of private industry than it is to get the government to check on government-owned industry. In the former case the government is a neutral party, and in the latter case the government is not a neutral party, and is not likely to regulate without prejudice.

For a government to be democratic it must be neutral. The thing that makes democracy is the ever-present existence of a neutral force with sufficient strength to outweigh any dictatorial group. When the government owns and operates enterprise, its neutral relations with society are destroyed. It becomes less democratic and more dictatorial. Socialism isn't democratic!

### Eleven Men Who Know

They've been over in battle-torn Europe, these American war correspondents, and seen modern tanks crash through defenses manned by free men who were brave enough but simply didn't have enough modern equipment of their own to halt the aggressors. Now they have returned to this country, and there is no one with a clearer realization that airplanes and tanks and guns are needed to make a nation safe in today's chaotic world.

Over there in the midst of the war, the machines were either there or they weren't. All too often, they weren't. Now that the reporters are here in the United States, they have time to pause and ask a few important questions: "Where do the machines come from? Are we making sure that America will have enough of them to make its defenses unassailable?"

The answer to the first question, of course, is that industry must make the equipment, and so, through an arrangement made by the National Association of Manufacturers, the eleven noted correspondents are making a tour by air of many of the leading defense plants of the nation. There they are finding the strong, affirmative answer to their second query.

The articles these men are writing for their own newspapers and services are giving the public the facts, which show how determined industry has attacked the biggest production job in all history. The stories are

big news because the people who are writing them know the meaning of defense in its very broadest terms. They are just as big news in that they will give the people of America the best possible chance to see the central fact—that only industry can do the work of defense production, and that in reality industry represents the main line of national defense!

It is that fact above all others which surely needs driving home till it becomes part and parcel of all public thinking on the key subject of America's security. Viewed thus in perspective, it is hard to overestimate the value of hearing these eleven men report on the plants of America, whence come the guns and tanks and planes for defense!

### Achilles' Heel

Representative government in the United States has an Achilles' Heel. It is not unbalanced budgets. That simply leaves the heel exposed. It is not military weakness. That can be cured. It is our lack of understanding of what our system of free enterprise means and what keeps it alive. Millions of otherwise good Americans endorse political practices that dangerously undermine this system, not realizing that only so long as it is maintained intact can they continue to enjoy the privileges of "democracy."

Our basic industries are the very foundation of all free enterprise. It is they which have developed our natural resources to the fullest—oil, coal, metals, water, power—sources which are the key to progress and which directly or indirectly make the operation of the free enterprise system possible. Yet it has long been politically popular under the guise of taking a whack at "big business" to attack these basic industries. Promoters of socialism seize every opportunity to push them closer to the brink of government ownership, well knowing that if they are successful they will have taken an essential step toward changing our whole system of government.

Witness the electric industry which today is surrounded on every side by tax-exempt, publicly-owned and operated hydro-electric plants whose main purpose notwithstanding ballyhoo to the contrary, is to put large segments of the private power industry out of business. The drive against the electric industry is a mere part of a vast program whose result would be to ultimately bring under government domination other key industries in the free enterprise system.

If America's basic industries are ever socialized, free enterprise will die. The people of this nation cannot afford to permit the destruction of a system which means so much to the perpetuation of individual freedom, because of scattered shortcomings. The shortcomings can be corrected. The American system of private enterprise, once destroyed, could never be rebuilt.

Those 4 Crown olives at C. O. Foltz and Co's are fine. Try them. 75c a quart.

Jerome Smith this week completed a 7 room cottage for J. C. Burnmeister, of Chicago, at Sylvan Park, Bluff Lake. The cottages around the lakes are beginning to fill up with people for the summer season. Many Chicago people will delay coming out until they see the Fair, however.

### 22 YEARS AGO

June 12, 1919

Last Saturday afternoon Arthur Hawkins of this village and Miss Mattie Miller of Bristol were united in marriage.

At a meeting of the village board Friday evening it was recommended that all property owners on Main st. make street connections with the sewer this year, in order that the street may be in a settled condition before the laying of the cement road through here.

Postmaster General Barleson issued an order at Washington, D. C., Thursday returning the telephone and telegraph systems of the country to the owners for operating purposes.

Homeward movement of National Guard and National Army combat units from France is complete, all units having embarked for this country. The movement of regulars has begun. A contingent of American infantry which has been serving in northern Russia has boarded a transport for the return to the United States.

### 35 YEARS AGO

Three hundred attended the annual opening of the Waukegan Bachelors' club at third lake.

The palace of justice in Paris, Fr., was crowded Monday at the reopening of public hearings of the Dreyfus case.

Easter capitalists are said to be backing plans for erection of a magnificent private school at Mud Lake, on the beautiful Norton farm at Rockwell, Ill.

Another mysterious fire occurred among the ice houses of Kenosha, Wis., after 6 o'clock Sunday evening, when the big icehouse owned by the Knickerbocker ice company situated

on the east shore of Silver Lake was completely destroyed by a fire of unknown origin.

On the mile track at Libertyville there are now located about 150 horses trotters and pacers, getting ready to start the season's racing. Among the trainers are Ed Giers with 17, including Turkey and Goldsmith Maid; Dick McMahon with 24 head; Brophy Stock Farm, 13 head; Tom Leonard with 6 head; James Hogan of Memphis with 7 head; Grattan Stock Farm with 20 head; and Ed Sherman of Lake Geneva with 4 head, including Trixie A and Alfred.

#### FIRST JERUSALEM CONFERENCE ON WORLD MISSIONS

**LESSON TEXT—Acts 15:6-21.**  
**GOLDEN TEXT—**But we believe that through the grace of the Lord Jesus Christ we shall be saved, even as they.—Acts 15:11.

The conference on missions in Jerusalem was not the result of an appeal to a ruling church organization for a decision, but rather a gathering of the believers from Antioch with those in Jerusalem to confer regarding a serious difference of opinion. The earliest converts to Christianity were Jews, who had come by the way of Judaism into their new faith in Christ. But now, through the preaching of Paul and Barnabas, certain Gentiles had believed in Christ. Their new-found joy was soon clouded by a theological problem. Certain teachers from Judea (Acts 15:1) declared that the Gentiles were not saved unless they came into the Christian faith the way of the fulfillment of the Jewish law. Paul and Barnabas at once realized that this was

**I. The Vital Question—Is Salvation by Grace or Works?** (vv. 7-11; see also vv. 1-5).

Paul and his fellow workers had rightly apprehended God's plan of salvation apart from works of the law. Paul realized that the entire future of the gospel ministry was in a sense dependent on the solution of this problem. Christianity is the only religious faith in the world that presents justification by grace as the way of redemption; all others follow (more or less) the path of salvation by works.

The question now was: Shall works of the law be mingled with grace—can Jesus Christ alone save men, or is salvation through Jesus Christ plus something else?

How was such a serious question to be settled? Should argument and strife be permitted to go on until the stronger party prevailed? Better judgment indicated the desirability of a friendly discussion and a joint decision with the believers at Jerusalem. This was

**II. The Christian Solution—Council Rather Than Controversy** (vv. 6, 7, 12-18).

There may be times when it becomes the duty of the Christian worker to take an uncompromising stand for the truth of God and refuse to be moved, come what may. But certainly there should be no such spirit in dealing with differing interpretations of Scripture on the part of sincere and earnest Christian brethren. How much would be gained in the Church today if, instead of magnifying differences and permitting personal desires and ambitions to intervene, men were willing to sit down in the spirit of Christ around the tables of Christian council and brotherhood, presided over and directed by the Holy Spirit (see Acts 15:20).

Observe the full measure of liberty in discussion, the attentive listening to the messages of the brethren. Note also that there were no secret sessions of a "steering committee" and no "steamroller" tactics.

The whole question was honestly and carefully considered by the council at Jerusalem, with the result that there was a vindication of the preachers of God's grace.

James finally spoke, giving the conclusion to which the Holy Spirit had led the conference (see v. 28). Here for all the future we have

**III. The God-Given Answer—Salvation by Grace** (vv. 19-21; see also vv. 22-35).

In his epistle to the Ephesians (Eph. 2:8, 9), Paul succinctly states this truth: "By grace are ye saved through faith; and that not of yourselves; it is the gift of God: not of works, lest any man should boast." The teaching of Scripture is very plain on this point, and we do well to receive it in all its beauty and grace.

Let us observe, however, that the decision in Jerusalem, while it laid no further burden on these Gentile believers (v. 28), did quite properly require of them that, as those who had been saved by grace, they must "walk in newness of life" (Rom. 6:4) which they had in Christ. Paul had the same thought in mind when he supplemented Ephesians 2:8 and 9 with verse 10, declaring that God has ordained that we should walk "in good works."

There are two opposite tendencies (both of which are wrong) in this matter, which consistently hurt the Christian church. The one which we have already stressed tries to mix works with grace, making salvation either entirely or partially by works. Sad to say, some who have sought to avoid this error have gone to the opposite extreme and have done violence to God's plan of salvation by making grace an excuse for sin, using their freedom from law as a justification of lawlessness. We are God's "workmanship," created in Christ Jesus unto good works" (Eph. 2:10).

### ENTERITIS TAKES A VERY HEAVY TOLL

A quarter century ago we all thought that hog cholera was about the only swine disease capable of causing much trouble.

But times have changed, and while cholera is still the chief enemy of the swine-raiser, the condition called enteritis is easily the second most important swine disease problem.

Enteritis simply means an inflammation of the intestine. It may be caused by a variety of factors, chief among which is infection by a group of germs closely related to the human typhoid organism. Another type of enteritis is caused by microscopic animal parasites called coccidia. Yet another form—the killing swine dysentery—has not been discovered.

Recent experimental work has been done on the question of whether "Neuro" (necrotic enteritis), commonly known as shute typhoid, is predisposed by a lack of the Vitamin B complex in the ration, where the rations are low in the Vitamin B element called nicotinic acid.

But, regardless of the cause or type of swine enteritis, here are a few hints that are valuable in prevention:

Pigs should be run on clean pastures and kept away from old yards. The rations should be well balanced and contain the essential vitamins and nicotinic acid; growing pigs should be

properly treated for round worms and other parasites; and feeding and watering equipment must be clean and sanitary.

Herd is frequently exposed to killing outbreaks of enteritis when newly-purchased pigs are allowed to mix with those on the home premises. New stock should first be inspected by a veterinarian and then should be

A typical case of Necrotic Enteritis—a costly disease to the farmer.

separated from the home herd for at least a month after purchase. Naturally, when an outbreak occurs the most important thing is to find out just what type and kind of enteritis has gained access to the herd. This means a herd survey and autopsies by the local veterinarian and, quite often, the assistance of a diagnostic laboratory. If proper steps are to be taken to curb losses.

## Geraldine Bonner, Mt. Carol Man United in Marriage

Miss Geraldine Bonner, daughter of Mr. and Mrs. Leslie S. Bonner, Millburn, became the bride of Howard B. Petty, Jr., son of Mr. and Mrs. Howard Petty of Mt. Carroll, Ill., in a double ring ceremony Saturday in the home of the bride's parents. The Rev. Melvin Lynn Frank of the Millburn Congregational church read the service, before an altar of flowers, which was lighted with tapers in tall candleholders.

The bride's gown was of white chiffon and Chantilly lace, over which fell a finger-length veil. She carried white roses. Miss Leryl Bonner, attending her sister, wore blue chiffon with a bouquet of pink roses.

Howard Weckerley of Chicago acted as best man.

Lester Paul played the wedding march and also played for the reception after the ceremony.

Mrs. Bonner wore a gown of dusty rose lace and Mrs. Petty a blue and white print. Both had corsages of gardenias. Mrs. Eliza Bonner, grandmother of the bride, was in black, with a corsage of pink roses.

Among the 60 guests present were the bridegroom's parents, Mr. and Mrs. Howard Petty, Mr. and Mrs. Ward Weidman, Mr. Carroll, Mr. and Mrs. John Biggs and son, Mrs. Hallie Dunlap, Mr. and Mrs. W. E. McCauley and son, Miss Ruth Rolfe, Robert Arnold and Tracy Rasmussen, Champaign; Mr. and Mrs. Howard Weckerley and Paul Lester, Chicago; Misses Edwina Virgil and Arline Lloyd, Elgin; Miss Pearl Ward, Oregon; Mr. and Mrs. Earl Priest and daughter and Mrs. Doyle Weller of Three Oaks, Mich.

After a brief wedding trip, Mr. and Mrs. Petty will be at home in Urbana, where she is employed by the National History survey and he is research assistant at the Agricultural Experiment station.

## Many from Out-of-Town Attend Tea Given in Honor of Recent Bride

AMONG the numerous delightful parties that have been given in recent weeks in honor of brides or brides-to-be is the afternoon tea at which Mrs. J. Ernest Brook was hostess Wednesday afternoon in her home, 484 Lake Street, from 2 to 5:30 o'clock.

The large gathering of well-wishers who came to pay their respects to Mrs. Brook's new daughter-in-law, Mrs. William Edward Brook, the former Miss Janet Reiss of River Forest, included many from Burlington, River Forest, Waukegan and Chicago, as well as from Antioch and vicinity.

Miss Donna Reiss, sister of the bride, and Miss Joan Kesler, a cousin, both of River Forest, poured. Assisting them at the tea table, which was decorated with red roses and delphinium, were Mrs. Howard Smith and Mrs. Lloyd Murrie.

Mr. and Mrs. Brook returned early last week from their honeymoon trip to Asheville, N. C. Their marriage took place May 24 in the Presbyterian church at River Forest.

WEEKLY NEWS ANALYSIS

By Edward C. Wayne

# Sinking of 'Robin Moor' by Submarine Is Investigated by State Department; Byrnes, Jackson Named to High Court As Stone Is Appointed Chief Justice

(EDITOR'S NOTE—When opinions are expressed in these columns, they are those of the news analyst and not necessarily of this newspaper.)  
(Released by Western Newspaper Union.)

U. S. citizens are getting a first-hand look at the famous Nazi fighting plane, the Messerschmitt, now on display in a New York theater. Proceeds from the showing of this plane will go to buy "bundles for Britain." This is the first time that one of these aerial fighters has been shown in the United States.

## COURT: Line-Up Changed

President Roosevelt's appointment of Harlan Fiske Stone to replace Charles Evans Hughes as chief justice of the Supreme court was announced at the same time as he sent to the senate the names of two new associate justices he had picked, Sen. James Byrnes of South Carolina and Attorney General Robert H. Jackson of New York.

A Republican, Justice Stone is 68 years old and was appointed to the Supreme court by President Coolidge in 1925. His appointment as chief justice came as somewhat of a surprise for many sources in Washington believed that Attorney General Jackson would get the nomination.

Senator Byrnes, who has been a strong administration supporter in the senate since the early days of the New Deal, will succeed Justice McReynolds who retired some time ago. Jackson will take the place left vacant by Justice Stone's elevation to chief justice.

## U. S. Ship Worry

The Robin Moor, sunk in the South Atlantic well within the United States neutrality zone, was declared by its few survivors to have been sunk by a German U-boat, the first in what most observers expected would be a series of international incidents, similar to that of the Lusitania in the last war.

The Robin Moor went to the bottom, bearing seven passengers including a little child, and the first lifeboat, the only one immediately found, contained only 11 survivors. The other two boats, according to the evidence of Brazilian ship people who went in search, showed on the surface of the sea some evidence that they had been lost.

The first cause of the loss was given as "the result of a storm at sea," but the survivors told their rescuer that they had been torpedoed.

Following these reports by survivors, authoritative sources in Washington indicated that work on a formal note of protest to Germany was under way by the state department.

It was pointed out that in such a note restitution for loss of American life and property was only what the Nazis could expect.

While at first the White House had announced that "judgment should be withheld" on the incident, later word came that there seemed to be "no longer any reason" for that.

The state department's report was first made public by Sumner Welles at his press conference. He based his findings on the account of the sinking as it came from Walter J. Linthicum, U. S. consul at Pernambuco, Brazil. Linthicum spent nearly five hours getting the stories of the rescued persons.

## DUCE:

### Calls Names

Celebrating the year that Italy has been in the war, Mussolini made a speech to his puppet legislators in which he defied the United States to become more active in the war, after saying that this country is "really in the war already."

He also likened President Roosevelt to Sulla, one of the bloodiest and most tyrannical of all the Roman dictators.

The Axis would certainly win, Mussolini told his people, and the sole effect this country's attitude would have would be to lengthen the struggle.

He made no references to Italy's losses of two-thirds of her empire, of the 200,000 prisoners taken in North Africa, nor of the losses Italy had suffered to her fleet.

Mussolini simply placed England on notice that she was doomed, that all her positions in the war had been taken, and that if America wanted to send aid she would find no place to send it.

## STRIKES:

### A Formula

Ever since President Roosevelt's fireside chat the nation had been waiting for a strike-prevention formula, realizing that in the presidential speech there had been a definite pledge to halt defense work stoppages in labor disputes.

It remained for the strike at North American Aviation's plant at Inglewood, Calif., where 12,000 men engaged in building \$196,000,000 in warplanes, to provide the answer, and the United States to wonder what kind of an answer it was.

Swiftly, methodically, the troops moved in and took over the plant, began weeding out the union's labor leaders, inspected even the contents of lunch boxes of returning workers, and put the plant back into production within two days that were reported to be "approaching normal."

Within 24 hours planes were rolling off assembly lines into test flights, and on the surface all was apparently well.

But observers began asking themselves questions during the next few days when trouble of various types began to appear, not at North American Aviation, but at other plants.

Several things bothered people who were wondering whether the use of soldiers to take over plants would be a workable system of strike-ending.

Some wondered if perhaps the strikers at Inglewood weren't a bit too willing to have the plant taken over. Others wondered if, perhaps, the strikers' demand of the government that the pay be raised to 87½ cents an hour, or 12½ cents an hour more than they were asking of private industry, and the same wage that the government, they claimed, was now paying workers of similar skill in similar jobs.

The union leaders were equipping men with signs reading "hold out" and reminding the army can't make planes—but their pleas fell for the most part on deaf ears, and the second day of the army occupation they voted to go back to work.

But the army wouldn't take some of them back, ordered others reclassified and shaved in the army at \$21 a month instead of \$29 or better a week.

## C.I.O.:

### Red or Pink

One of the byproducts of the Inglewood strike and its result was that the Dies committee findings came to the fore and began to render a sort of answer to the popular controversy of the past two years, whether the C.I.O. is red, white or just pink.

Rival unions used to call the C.I.O. red—the C.I.O. maintained it was pure white, and the Dies committee just hinted around that it might be somewhat pink—that there were Communists in the C.I.O., but that it was not proven that it was Communist-controlled or not.

Then came a wide, serious series of defense or partial defense labor troubles, most of them involving one branch or another of the C.I.O.

Alabama's Representative Starnes, active head of the Dies body, promptly made public that each of the striking unions had a Communist or an ex-Communist as its active leader.

In the aircraft industry, Chairman Frankenstein of the aircraft division, who had called the Inglewood strike "outrageous," "wildcat" and "unauthorized," found himself placarded in two ways—as a jackass and as a traitor to the cause by the very union over which he had jurisdiction just as soon as he admitted that the junior local union chiefs were, indeed, Communists.

He ordered them suspended from their jobs, then went to the Inglewood scene of action and made a plea to the men to go back to work. His plea was unsuccessful.

## A 'Hold-Out'

Days and weeks passed since the Nazi drive toward Egypt through Libya began and although Axis forces took many points beyond Tobruk they were not able to capture the besieged city itself. Here is British anti-aircraft position inside the Tobruk perimeter. Protected by Italian ammunition boxes filled with stones, they provide ample protection from the splinters of bombs dropped by Nazi fliers.

## SYRIA:

### Gets in War

Names of the world's oldest towns, including such as Damascus, believed the oldest, and Tyre, considered its closest rival, got into the front page headlines as the British sailed on into Syria, following the expectations of everyone.

Vichy dispatches told of resistance, but except in certain spots the resistance was of the "token" variety—a few shots fired and then the French troops laying down their arms, later to join with the British passively, if not actively.

The invading armies were made up of British and Free French under DeGaulle, and seemed to be moving more or less unchecked into the chief and most important parts of Syrian territory.

Chief work of defense was being done by Nazi warplanes, said to be based on northern Syrian airbases like Aleppo, principal air center of the country.

Britain was not referring in her dispatches to the Syrian advance as a victory, but was rather regarding it as simply a tactically important move to circumvent an expected German move, or at least to meet it on a battleground farther removed from Palestine and Iraq oil fields.

It was obvious that the big Syrian airfields were the prime objective, and that if Britain could get hold of them and defend them with resident assistance, a good battle might be put up on Syrian soil, and protect the "backdoor" entrance to Suez and Alexandria.

But the serious resistance near the coastline, and in southwestern Syria made it look as though Britain's success in this objective would not be won without a good deal of fighting.

In general, however, the first advances were meeting with a good deal of resident approval, and with some defections of French colonials to the DeGaulle standard.

## CHURCHILL:

### On Spot

Most seriously since the time he took over leadership of the war effort of Britain, Churchill found himself "on the spot" because of the Cretan mishap—and words flew, bitter-voiced comments and on the editorial pages of British newspapers as Churchill defended his program.

The British leader was holding firm—refusing cabinet modification or any step that would even look like an admission that the Churchill government was a flop at handling the war.

Criticism of Churchill was far less bitter than that which was directed at Chamberlain, but it was still stronger than anything which had previously been leveled at him.

Much of it came from Leslie Hore-Lythell, deposed minister of war. And Churchill turned on the former cabinet member and practically told him to hold his tongue, and to recall that the war minister was in a "damnable condition" when he did it.

Somewhere on the Cretan disaster, he laid it to inadequate control of the air, and the little was "war," he said, "at a cost the Germans a major effort, and resulted in the loss of 11,000 men and 180 planes, not to mention many surface ships."

Answering the "why" of not enough planes, he said "they were not there" but "unless Britain had been willing to invade the island itself, and that he did not believe it a good policy to try to be safe everywhere at the cost of being strong nowhere."

## IRISH:

### Anomaly

The Irish Free State, having denied President Roosevelt's request that it furnish this country with landing spots for ships bearing aid to Britain, also air and sea bases generally, found itself more and more in an anomalous position—at a stone's throw from Britain at war, and yet neither an aide of Britain or Germany.

Irish cities were being bombed by Germany.

## How to become A SKILLED DRIVER

By RAY W. SHERMAN

Courtesy of the

FORD GOOD DRIVERS LEAGUE

(EDITOR'S NOTE: We believe many motorists in this community would drive better if they knew better how to drive. In the interest of safety, we will publish from time to time excerpts from the book, "How to Become a Skilled Driver," written for the Ford Good Drivers League by Ray W. Sherman, noted authority on driving. These excerpts are reprinted through courtesy of the Ford Motor Company.)

### BE A GOOD SPORT

A good driver has to be a good sport. When he notices another car trying to pass him in traffic, he lessens his speed and lets the other fellow in. Why not let him pass? It's evident he is driving faster than you care to. But that's his business, not yours. Safety requires that you give a little.

If the light turns green, you theoretically have the right of way, but don't take it for granted. Maybe that fellow coming up the street has poor brakes. Maybe his eyesight is bad. In any event, make sure he's going to stop.

If a pedestrian decides to cross the street in the flow of traffic, the driver must know how to handle the emergency. To a skilled driver, only one person has the "right of way" and that is the "other fellow." Be a good sportsman.

### Training For Defense

By Rufus T. Strohm

Dean, International  
Correspondence Schools

Rufus T. Strohm

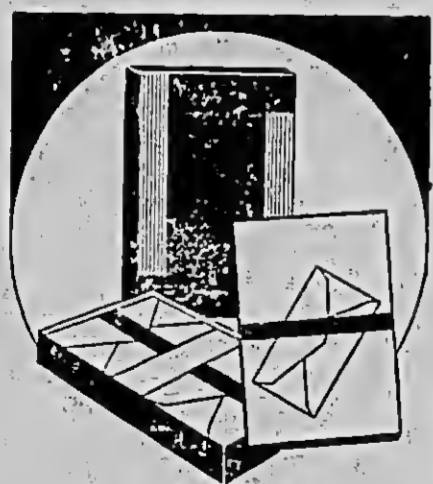

TOO much emphasis cannot be placed on the marshaling of our man-power, our machines, and our natural resources in the stupendous program of all-out preparedness. Schools and colleges, too, have a heavy responsibility in this program.

If we are effectively to provide for the common defense of democracy and freedom in today's world, every individual and institution in our nation must perform a proper part. Both educators and students must do their work with the same speed and efficiency that is demanded of soldiers and workmen.

Defense training is a widely discussed matter. The experts are pooling their opinions and every source of supply is being exploited to aid the speed-up in training. It is generally agreed by these same experts that the rate of employment in defense industries would be faster if it were not for a shortage of supervisory personnel—managers and foremen.

In the rush to train workers for special jobs, so that they may do certain jobs with their hands, we should not lose sight of the fact that America's ultimate success depends largely upon moral and spiritual preparedness. Perhaps we should encourage this spiritual state by warning young men to give some thought to the larger view—that of preparing for a permanent career.

Educators have a job to do in keeping students interested in the future as well as the present. The task of the moment is pressing, but it is not everything. Democracy is founded on more than jobs. It is a state of mind, properly nourished and properly balanced.

## Charles Baker of Lake Villa Dies

Charles Baker, a resident of Lake Villa, passed away Saturday evening after a long illness. A few years ago Mr. and Mrs. Baker came here from Iowa to live with their daughter, Mrs. Blumenschein, and Mrs. Baker passed away two years ago. Mr. Baker has lived since her death. He was born 77 years ago at Beaver Dam, Wis., and he and Mrs. Baker were married nearly fifty years ago. He had been cared for in the home of his daughter until Wednesday, when he became much worse and was taken to the hospital.

One sister, Mrs. Mattie Plank of Minneapolis and a sister-in-law, Mrs. Edward Baker of Wilber, Wis., survive besides his daughter, Mrs. Blumenschein, and one son, Edward, of Chicago. The funeral was held Tuesday afternoon from the Strang funeral home in Antioch with burial in the Angola cemetery at Lake Villa.

## Co. Chorus Group Enjoys Get-Acquainted Party

Since the Lake County Chorus is made up of members from all over the county and since many of them did not know each other before joining the chorus, the officers of the organization entertained the chorus with a get-acquainted party after their rehearsal on Monday evening. Several amusing get-acquainted games were played, after which ice cream and cakes were served by the committee, consisting of Mrs. W. A. Symons, Chelsey Brooks, Eleanor Henning, and Ross Harris. The next rehearsal of the chorus will be on Monday evening, June 23, at 8 p. m. at the Farm and Home Bureau Hall in Grayslake. Anyone wishing to join the chorus may still do so.

Robert Sorenson, 24, of Lake Villa, suffered sprains, bruises and cuts when an automobile in which he was riding with three other young people was struck by a hit-and-run motorist Saturday. Sorenson and his companions, Miss Evelyn Helvelkamp of Fox Lake; Miss Mary Tower of Gages Lake and Ervin Barnstable, Jr., of Lake Villa, were riding north on Route 21 near Belvidere road when a car, in front of them suddenly made a U-turn and collided with them, before fleeing south on 21.

## Mr. and Mrs. French Are Recovering from Injuries

Mr. and Mrs. Walter G. French are recovering from injuries sustained in an automobile accident, which occurred last Wednesday afternoon at 4 o'clock while they were enroute home from a vacation trip.

Attorney French and his wife had been vacationing in Colorado and New Mexico and were on their way home when they had a head-on collision with an oncoming car which had speeded up and darted out of its lane to pass a truck it had been following. Mrs. French, it is reported, pulled over to the shoulder and gave the lane to the approaching car, but when its driver saw the French car, he applied his brakes, his car started weaving, it is said, out of control, and in a few seconds crashed into the French car.

The accident happened twenty miles south of Lebanon, Mo., and Mrs. French's brother, J. Robert Cary of Antioch, drove to Lebanon and brought them home.

## Antioch Rescue Squad to Sponsor Benefit Dance

A benefit dance to be held some time in the near future was among the matters taken under consideration by the Antioch rescue squad at a meeting Tuesday evening. Cletus Vos, Herman Rosing, Clarence Shultis, John Horan and Herman Holbek were appointed as the committee in charge of the dance and also of the prize of a motor and boat to be awarded in connection with it.

A committee was named to arrange an amendment to the by-laws, making possible an increase in the membership of the squad.

The next meeting will be held July 11.

## Dorothy Ann Dancers Will Present Revue

A revue by the Dorothy Ann dancers will be staged at Antioch Township High school some time early in July, according to an announcement made today by Miss Dorothy Ann, director of studios in lake shore towns, including Kenosha and Waukegan. This evening the dancers are giving a revue in Waukegan, and tomorrow night they will stage one in Kenosha. The date of the Antioch program will be announced later.

Otto S. Klass spent Wednesday in Chicago on business.
